

# From Research to Resistance

## Myrtle Rust bus tour - Sydney region

22 - 23 October 2024

You're invited to hear first-hand about the research and conservation measures currently underway to save some of our Myrtle Rust susceptible plants from extinction.

[Register via trybooking here](#) (By October 4th)\*

*\*This event is by invitation only and free to attend. All transport and catering is included.*

### Day 1 - 22 October
