Australia's Threatened Species Strategy - 30 Priority Plants
- 10.25 am **Kim Ellis**, Royal Botanic Garden, Sydney
Welcome to the Royal Botanic Garden
- 10.35 am **Cathy Offord**, Royal Botanic Garden, Sydney
Introducing the Threatened Plant Translocation Information Day
- 10.45 am **Tony Auld**, Office of Environment and Heritage, NSW
Mitigating extinction risk in threatened species
- 11.10 am **Leonie Monks**, Department of Biodiversity, Conservation and Attractions, WA
Ecological factors affecting the success of rare flora translocations,
and translocation permits in WA
- 11.40 am **Bob Makinson**, Australian Network for Plant Conservation
Missing Links: ANPC's role in the flow of information and
expertise for plant conservation.
- 12.00 pm Lunch
- Session 2 – Chair: Bob Makinson**
- 1.00 pm **Jen Silcock**, University of Queensland
A review of plant translocation in Australia
- 1.30 pm **Nathan Emery**, Royal Botanic Garden, Sydney
Persoonia pauciflora case study
- 1.45 pm **Heidi Zimmer**, Office of Environment and Heritage, NSW
Wollemia nobillis case study
- 2.00 pm **Dave Coote**, Office of Environment and Heritage, NSW
Asterolasia buxifolia case study
- 2:15 pm **Di Brown**, Office of Environment and Heritage, NSW
Fontainea oraria case study
- 2.30 pm **Lucy Commander**, Australian Network for Plant Conservation
ANPC's Translocation Guidelines
- 2.45 pm Afternoon tea
- Session 3 – Chair: Lucy Commander**
- 3.00 pm **Noushka Reiter**, Royal Botanic Gardens Victoria
Orchid translocations, short and long term considerations
- 3.20 pm **Peter Cuneo**, Royal Botanic Garden, Sydney
Hey, we're gonna need some plants – getting the basics of translocation right!
- 3:40 pm **James Brazill-Boast**, Office of Environment and Heritage, NSW
Translocations in Saving our Species and Translocation policy in NSW
- 4.00 pm **Julie McInnes**, Office of Environment and Heritage, NSW
Licensing requirements for translocations in NSW
- 4.15 pm **Linda Broadhurst**, CSIRO, ACT
Provenance, genetic diversity and assisted migration
- 4.40 pm **David Coates**, Department of Biodiversity, Conservation and Attractions, WA
NESP TSR Hub project 4.3: Improving threatened plant reintroduction
success and species recovery
- 4.50 pm Panel Discussion
Open question time with all speakers
- 5.00 pm Networking drinks
Venue: Customs House Bar, 19 Macquarie Place

National Environmental Science Programme

Australian Network for
Plant Conservation Inc

The Information Day is organised by the Australian Network for Plant Conservation (ANPC) and the National Environmental Science Programme Threatened Species Recovery Hub, with support from the NSW Office of Environment and Heritage (OEH) and The Royal Botanic Garden Sydney.
