Seed pod gift card

SAFETY INFORMATION

This project is **not suitable** for children **under three years of age**. We recommend you supervise your children at all times when working with sharp objects, liquids and small objects.

SUPPLIES:

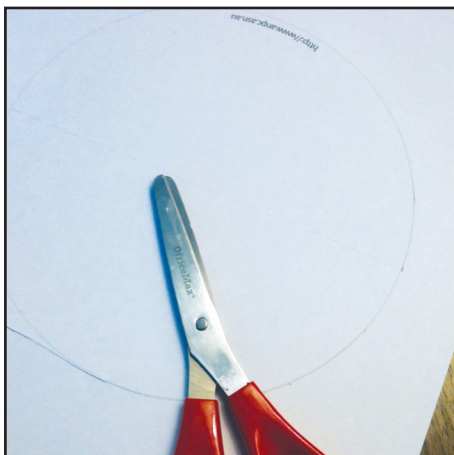

- Paint brush
- Extra paper (recycled)
- Pot of water for cleaning the brush
- Pallet or a paper plate for mixing paints
- Printed template
- Smock and safe environment for your children
- Plastic coat table cloth for protecting your workspace from spillage
- Seeds collected from your garden and/or leaves;
- You may also find some native seeds fallen from the trees at your local park, or nature reserve.

INSTRUCTIONS:

Step 1:

- Cut out the circle
- Do not cut along the dotted line

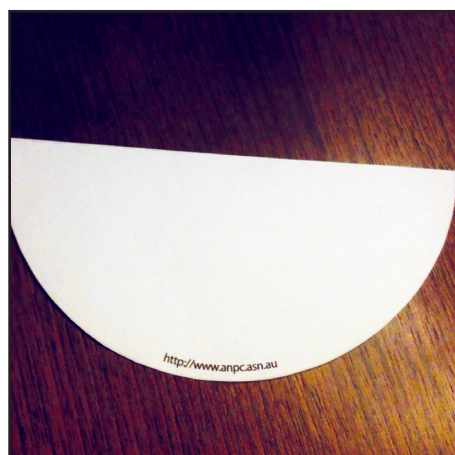

Note: The dotted line is your folding line.

Step 2:

- Fold the page on the dotted line
- Press firmly along the crease

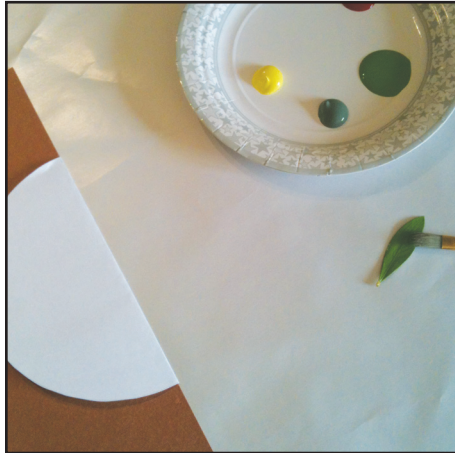

Note: The ANPC website link should appear on the outside of of the card. This is the back of the card.

Step 3:

- Inset a blank piece of paper (recycled paper) inside the folded card
- Mix the colours to suit your theme

Tip: Try to capture the colour of your environment, plant and seeds.

Step 4:

- Dab the seeds in the paint and apply to the card
- Brush the leaves and firmly press the leaf on the card

Step 5:

- Allow to dry
- Write inside your gift card

Note: your gift card can easily fit inside a DL envelope for posting.
